e-OPF:

Effective 25 Aug 12 the HRO no longer receives hard copy SF-50's, TSP-1, TSP-1C, SF 2809 (FEHB) or SF-2817 (FEGLI) forms for filing in the technician HRO OPF (Official Personnel Folder). There will be a new site announced and further information from NGB for technicians and HRO on how to view and print these forms, if needed. Currently, the SF-50's can be located in DCPDS – MyBiz/MyWorkplace and TSP or SF forms completed are located on EBIS – www.abc.army.mil. More to come.

Designation of Beneficiaries: (VERY IMPORTANT):

As a Federal employee, there are four areas of concern when reviewing benefits in the event of death: This is very important, especially for single parents. You may choose to make separate designations for each.

1. Unpaid Compensation (Includes pay check and annual leave) – SF 1152.
2. Federal Employees Group Life Insurance Coverage (FEGLI) - SF 2823.
3. Retirement (CSRS/FERS) - SF 3102.
4. Thrift Savings Plan (TSP) – TSP-3 (Send directly to TSP)

Forms located at - www.abc.army.mil/retirements/BeneficiaryForms.htm

When you complete these documents they must be forwarded to HRO-Tech Svcs to be included in your Official Personnel Record (OPF).

If questions or assistance contact HRO-Tech Svcs, Ext 7127, 7110 or 7118.

A designation of a beneficiary for any of these benefits is NOT mandatory. Payment of all or any part of your benefits, for which there is no designated beneficiary in place at the time of death, will be made to the person or persons who survive you in order of precedence established by law.

Order of Precedence: The proceeds will be paid out in the following order:

1. Properly designated beneficiary or beneficiaries; if there is no such designation in writing then to;
2. Surviving spouse; if there is not surviving spouse, then to;
3. Surviving child(ren), divided equally; if there are no surviving children then to;
4. Surviving parents; if none, then to;
5. The Executor or Administrator of your estate; if none, then to;
6. Any surviving next of kin in accordance with the laws of the State of domicile at the time of death.

If you have made out a will, it DOES NOT take precedence over any forms already on file in your OPF. Divorce or remarriage DO NOT change the designation -- YOU MUST CANCEL OR SUBMIT A NEW FORM.

FEGLI cannot pay benefits to a minor. They will pay a court-appointed guardian, if one. A mother or father are not automatic guardians.

www.opm.gov/insure/life/reference/handbook/design2.asp

FERS/CSRS Retirement Fund is for "lump sum" purposes only and does not affect the right for survivor annuity benefits.

Due to the HRO move it would be appreciated if employees who would like to voluntarily donate annual leave could scan their OPM donor forms to Deborah.tankesley@us.army.mil or if by distribution address to HRO-Tech Svcs.

****New DCPDS Self Service User Guide****

A new My Biz/My Workplace Self Service User Guide has been posted to the following URL:

<http://ne.ng.mil/ArmyGuard/Pages/MyBiz.aspx>

Please take the time to review this new updated guide for instructions to access and update your information in My Biz and to access your employees' information in My Workplace.

Performance Appraisal Application (PAA)

Many of you have now logged into either My Biz or My Workplace, and are working in the PAA part. One reminder to all of us, in order for PAA to work properly, every Technician **must have their work email address entered in their account so the notification process will work as designed**. If you are not receiving an email informing you that an action requires your attention or something is being completed with your PAA Plan or Appraisal, then you need to verify that your email address is entered into your account.

In order to do that, log into the DCPDS Portal @ <https://compo.dcpds.cpms.osd.mil/>

Open the My Biz or My Workplace application and look for "Update my Information" link. The block to enter your work email address is right on that screen. Be sure to save your update. I would then go back in and ensure the update was applied to your account by navigating back to that update screen and verifying your email address is there.

As you complete your appraisals, be sure to print a copy and send it to HRO/Benefits and Services section for filing. Whether you are a Technician supervisor or Technician employee, you can view/print any completed Performance plan or Appraisal within PAA at the bottom of the main PAA screen.

Information regarding the PAA in DCPDS along with instructions on how to navigate the Appraisal application is located at this URL under the Performance Management Section.

<http://www.neguard.com/HRO/Technician%20Branch/index.html>

Please be sure to check with HRO if you have any questions regarding PAA.

New Cash Balance Election Period - Retirement

Please review the July newsletter (see link below) that the Nebraska Public Employees Retirement System has published for news on the election that can be made to transfer assets from the Defined Contribution plan to the Cash Balance Plan. Election forms will be available on September 1, 2012.

Eligible members can opt to transfer from Defined Contribution to Cash Balance during an election period starting September 1, 2012, and ending October 31, 2012.

If you were hired on or after January 1, 2003, and had not been employed with the State before you would already be in the Cash Balance plan.

Also, if you were rehired after a break in State service of more than 120 days but less than 5 years and you had a previous Defined Contribution account, it would have been converted to a Cash Balance account. **Call the retirement office to confirm the type of account you have.**

If you have questions please contact the Retirement office at 402-471-2053 or toll free at 1-800-245-5712.

To review information about the Cash Balance Plan and the Election period and get an election form, you can review the sites below:

Leave of Absence Notification

All employees should notify the Human Resources Office if they are going to be in a leave without pay status, for one entire pay period or more, for any reason. Please notify Human Resources at least two (2) weeks in advance or as soon as possible so insurance deductions may be adjusted and any necessary actions can be taken care of in our Employee Work Center system. A delay in notification may cause premium deductions to come out of your pay unnecessarily or insurance coverages to lapse due to non-payment of premiums.

Wellness Plan Requirements Checklist

Do you have questions on whether or not you've completed all the steps that will allow you to continue in the Wellness PPO medical plan? Employees should view the steps that Health Fitness has recorded as being complete. Visit their website at www.wellnessoptions.nebraska.gov. Health Fitness has a Wellness PPO Checklist which shows the steps that need to be completed. A checkmark will appear on the completed steps. Please click on the "Checklist Detail" and "Learn more" links to review detailed information on the Wellness PPO plan qualifications and take action.

If you are a new employee and have signed up for the Wellness PPO plan, you will need to go to the site and click on the "New Visitors Click Here!" link and follow the instructions to create a password. New employees (and enrolled spouses) need to complete the online Health Assessment within about two weeks of receiving a notification letter from Health Fitness. Employees (and enrolled spouses) should receive these letters about 3 to 4 weeks after the effective date of any insurance elections. As an example, a new employee (and an enrolled spouse) who has insurance starting on September 1st will receive their letter around the last week of September. The employee (and enrolled spouse) will need to complete their Health Assessment(s) by the date noted in the letter. When logged into the Health Fitness website, look under the "My Assessments" link that appears in the menu bar along the left side of the screen.

End of Year Vacation Balances

We have many State employees who could lose vacation leave this year if they do not take action now to schedule and use leave prior to December 31. Accrued leave in excess of 35 work days (280 hours) cannot be carried over into the new calendar year (The limit for Firefighters is 336 hours). Classified System Personnel Rules and the NAPE/AFSCME Labor Contract establish that employees who have accumulated vacation in excess of thirty-five days shall forfeit the excess amount on December 31 of each calendar year.

We suggest that you plan the use of your annual leave well in advance. Review your vacation dates in advance with your supervisor. This will allow management to plan coverage of your responsibilities in your absence. Planning for the use of leave is critical so that employees do not finish the year forfeiting excess leave.

Address and Direct Deposit Changes

Employees can now change their addresses and direct deposit information in the Employee Work Center (EWC). Go to the LINK website, www.link.ne.gov to get to the EWC. Click on the 'All About Me' link at the top of the screen then on the next screen click on the 'Personal' icon. Next click on 'Contact Information' to update your address.

To change direct deposit information, employees can follow the instructions on the LINK site. Go to User Guides under Help (at the bottom of the screen). In the User Guide screen scroll down to Employee Work Center and look for Direct Deposit. If you want expense reimbursements to go to a different account than you currently have on file you will need to let the HR office know that account information. If you have any doubt what account information is currently on file then you will need to call the HR office.

Leave Tracking System – *When you move duty positions to another organization, please log into the leave tracking system and go to my account. Once there, scroll down and select the drop down next to change user group to update your organization. This will change your approving officials for your leave requests.*

Reassignments: - AGR's need to complete DA5960's when reassigned to a new duty location. This will and does affect BAH Rates and Soldiers will incur debts from BAH changes.

DTS – All Soldiers need to upload the MOI/LOI into their DTS Authorization request. This includes in-state conferences and training events. Also AGR's need to submit travel requests in a timely manner. Do not wait until the last minute to submit when there are multiple levels of review/approval to include CTO. It is the Soldiers responsibility to make contact with Carlson Travel and ensure their

flights/entitlements are reserved and contracted. Battalions and MSC's need to ensure GSA/NTV's are utilized.

TRICARE Dental Program – MetLife has begun administering the TRICARE Dental Program effective 1 May 2012. Claims should still be processed through United Concordia. Service Members and family members should have received information from MetLife outlining the change. The transition to MetLife only affects traditional Service Members and their family members and the AGR family members enrolled in the TRICARE Dental Program. AGRs enrolled in the Active Duty Dental Program (ADDP) will not be affected, United Concordia will continue to administer the ADDP.

Pay and Entitlement Documents – The following documents are required to be sent thru HRO for processing on all AGRs: Promotion orders, special pay orders, allotments, CSB Redux, DA Form 5960 (BAH), SF 1199, W4, DA 4187 (Selling leave, meal collection, confinement and sick-in-hospital for more than one day), DA Form 4836 Extensions.

Mob Augmentee – Mob Augmentees who are continuing on orders in FY 12 need to submit the following documents to the AGR Branch: 350-11, MEDPROS printout, completed DA Form 1058-R, APFT and Height/Weight within 6 months, updated DA Form 5960. Females must have a pregnancy test within 15 days of the start of a tour renewal. Mob Augmentees can register themselves in the AGR leave tracking system. This is the preferred method for the AGR Branch to track leave. The DA Form 31 is still required to be printed and forwarded to Mil Pay.

Meal collection via 4187 – If you are attending a School or Annual Training where meals are available, you need to complete a 4187 collecting your BAS for the period that meals were available. This 4187 needs to be sent to HRO and we will send to pay for processing.

OCONUS – If you are going OCONUS, please let HRO know ASAP so we complete the OCONUS orders process. We need to know about your travel OCONUS NLT two weeks before traveling.

PCS – If you are completing a PCS move, you will need to coordinate with HRO and the Offutt TMO to complete this process.

DD 214 – These need to be electronically signed. You must coordinate with HRO to complete this with SFC Ramos.

TRIWEST Online Referral / Authorization Submission: All registered providers on the secure provider portal at www.triwest.com now have the ability to submit referrals / authorizations online. In most cases, the online requests, complete with a status available to the referring provider, the servicing provider, and the TRICARE beneficiary occur immediately. To take advantage of this and other benefits, you must become a registered user of the secure provider portal. Just go to the "Register Now" section on the www.triwest.com/provider to sign up to enjoy the following benefits. **Temporary AGR** employees must keep their CAC and all dependents ID cards current. Maintaining current CAC keeps DEERS enrollment and ensures medical / dental benefits are not interrupted. POC is SFC Effle, (402) 309-1572.

Active Duty Dental Program: Effective 1 August 2009, the Active Duty Dental Program insurance is United Concordia. United Concordia was awarded the contract to oversee ALL Active Duty Dental Services. Your care no longer goes through MMSO, but rather, DIRECTLY through UCCI Dental. The website: www.addp-ucci.com further explains how to utilize the program. POC is SFC Whisenhunt, (402) 309-1572.

TriCare Dental Program: MetLife's contract to administer the TDP began 01May2012. Until that time claims should be processed through United Concordia as they have in the past. Providers should be sent information, by MetLife, as to what will they will need to do to file claims during the transition. As with United Concordia, the filing of claims is the network provider's responsibility, not the SMS.

The transition to MetLife will only affect Traditional SMs, family members and AGR family members enrolled in the TRICARE Dental Program. SMs (AGRs) in the Active Duty Dental Program (ADDP) will not be affected as United Concordia will continue to administer the ADDP.

The State Medical Benefits Officer is 2LT Nicholas Curto and can be reached at 402-309-1738 or Nicholas.curto@us.army.mil for further questions and information.

AGR Dental Updates in DDS Web: Message from Cynthia M. Anderson Adams, MSgt, USAF, Individual Medical Readiness Program Manager, NGB/SGPR Office of the Air Surgeon. POC is LtCol Mary Mild, (402) 309-1496.

I have been getting several phone calls and e-mails in regards to the AGR's civilian exams being updated into DDS Web. The AGR's at remote bases (ANG members living outside of the 50 mile catchment area of an AD MTF/DTF) should be bringing in an SF 603 from their civilian dentist (AFI 47-101, 5.4.1.2) and this is considered a military exam through their ADDP (Active Duty Dental Plan) provider. So, even though they are seeing a civilian dentist, it is considered their Military Dental Exam.

AGR's are entitled to benefits that include care and treatment that we should be monitoring and have a complete medical and dental chart on all AGR members ensuring that they are deployable. Also, I know the AFI states to give a member the SF 603 prior to them going to see their civilian dentist, but we know that our members go directly to see their providers and let us know once they return. Please have your members get a copy of the dental treatment for each visit from their providers and either fax, e-mail, or hand walk into your clinics. This way, your dental clinic will have a complete dental record on all of your AGR members.
